

NAMIT JAIN

PYTHON FULL STACK DEVELOPER | BCA STUDENT

Jalandhar | jainnamit34@gmail.com | [LinkedIn](#) | [GitHub](#) | +91 6239881326

SUMMARY

Full-stack developer skilled in Django REST Framework and React.js for secure, scalable web apps. Experienced in RESTful APIs, JWT/OTP authentication, and dynamic UIs with Redux and Axios. Proficient in cloud deployment and Agile team collaboration.

PROFESSIONAL SKILLS

Problem-solving & debugging | Strong logical thinking | Attention to clean and maintainable code | Quick learner & self-motivated | Effective communication during project work | Team collaboration.

TECHNICAL SKILLS

Python | JavaScript | Basic C++ | Django | Django REST Framework | React.js | Redux | HTML | CSS | Bootstrap | Axios | React Hooks | Git | GitHub | JWT & OTP authentication | Responsive web apps.

Other Technical Skills: User-friendly Web Design | API testing with Postman | Payment Gateway Integration | Deployment & domain linking.

PROJECTS

E-Commerce Website (Django + React.js)

Built a full-stack e-commerce platform with JWT & OTP authentication, product listings, cart, wishlist, and order management. Developed RESTful APIs using Django REST Framework and a responsive React.js frontend with Redux, Axios, and dynamic search/filter features.

 Live: <https://namits.shop>

Weather Forecast Website (React.js + OpenWeather API)

Designed a dynamic weather forecasting web app using React.js and OpenWeatherMap API. Implemented real-time weather data fetching with Axios and React Hooks, delivering a clean and interactive user interface.

AI Chatbot (React.js + Django Channels + WebSockets)

Engineered a real-time AI chatbot using React.js and Django Channels over WebSockets. Enabled instant two-way communication between users and the server with dynamic frontend message updates and asynchronous backend processing.

EXPERIENCE

Web Development Intern (Django Backend)

Webdoo Computer Institute | May 2025 – June 2025

- Built 10+ RESTful APIs and backend modules using DRF.
- Implemented secure authentication (JWT & OTP) for 100+ users.
- Optimized database queries, improving data retrieval speed.

Assistant Accountant

Ameka Super Market | Jan 2024 – Present

- Managed billing and financial records for ₹10K+ daily transactions.
- Prepared monthly sales reports and supported daily operations.
- Maintained 100% accuracy in billing and reporting.

EDUCATION

Bachelor of Computer Applications (BCA)

Guru Nanak Dev University (GNDU), Punjab, India

2023 – Present

Class 12th (Commerce)

Shree Mahavir Jain Sen. Sec. Model School, Jalandhar, Punjab

2022

ACHIEVEMENTS & ACTIVITIES

- **Winner** of the Logic Making Competition at college IT Fest 2025.
- Active member of the **College Website Development Team**.
- Participated in a **10-day NCC Camp** at Lovely Professional University.
- Achieved **2nd rank in Jalandhar City Olympiad** at school level.

CERTIFICATIONS

- **Microsoft Certified: Azure Fundamentals (AZ-900) – 2025**
- **Web Development Using Django Backend (3-Month Course), Webdoo Computer Institute – 2025**
